

The Manitoba Association of
CARDIOLOGY TECHNOLOGISTS

**Deadline for Dues and CEU's
is December 31, 2019**

2020 Annual Notice of Dues

Dear MACT Member:

Greetings from the MACT Board. This is your annual reminder notice for Dues, and this year, for CEU's as well. On April 1st MACT's updated bylaws were ratified by membership vote. Membership types are included in the bylaws which can be viewed on the MACT website. The new **Current Dues and Fees** policy was introduced at the last AGM and is included with this package. *There have been significant changes to MACT's Dues collection process. Please review all enclosed documents thoroughly.*

- This year marks the end of the current triennium. In order to remain in good standing (IGS) active and inactive members must submit 30 CEU's by December 31, 2019. Please retain a copy of your submission. These can be emailed to Darlene Keith, the Provincial Education Coordinator at darlenekeith24@hotmail.com or they may be mailed to MACT.
- In order to remain in good standing (IGS) members must pay their annual Dues by December 31, 2019. Payment options are listed below and in the Current Dues and Fees policy. This policy will be strictly followed. Please log into your member profile to complete your Dues payment for all payment types.
- MACT is introducing e-transfer this year, replacing PayPal which has been discontinued. Instructions for payment by e-transfer are also included with this package.
- Please complete the form below and include it with your payment. Members may choose either mailing to MACT, or scan and email to Trina Toro at treasurermact@gmail.com
- If mailing your payment and/or CEU's the post mark serves as the payment/submission date. Mail post marked January 1, 2020 is late and subject to late fees. **All late payments must be certified.** Please refer to the Current Dues and Fees policy for details regarding late payments/submissions.
- This is the last year that MACT will be sending Dues reminders by mail. Going forward notification will be by email. Members must provide an email address if they wish to receive a reminder in November.
- All members need to set up a member profile. Instructions for first time set up are available on the MACT website under Resources (MACT profile first time log in 2015). Please keep your contact information and email address up to date. If your email address changes please update your profile and notify the MACT Registrar, Brenda Cahigas, by email at brendacahigas@yahoo.com
