

MACT Annual General Meeting and Education Session

CSCT Director's Report

May 5, 2018

Welcome to everyone here today and thank you for supporting your association and your profession. Since being elected as the CSCT Director in April 2017, I have had the opportunity to attend a CSCT Board of Directors (BOD) meeting in Toronto this past February. It was nice to put faces to names and get to know the executive and other provincial members. I am now also on the CSCT Nominations Committee with a web meeting coming up this month. The following are some of the items that were discussed and/or decided over the past year,

- The CSCT new Honorary President is Dr. Chi-Ming Chow
- A draft of the CSCT 2017 AGM Minutes is on the CSCT website (www.csct.ca)
- As of February 2018 CSCT has 1812 Active members and 64 Inactive members
- At the February meeting we as a board worked on creating or updating letters, forms, templates and policies in working groups... this is an ongoing process
- As of 2018, the CCC will now be taking 100% of the conference fees, so CSCT will no longer make a profit from our member's registration at the CCC
- CSCT has been investigating electronic voting for their AGM but has not made a decision on this as of yet
- CSCT is planning to update their database to make it more user friendly for the provinces
- An Interprovincial Transfer form has been developed and approved for ease of transfer for members
- The CSCT website (www.csct.ca) changed its server in February 2018
- The Strategic Planning Committee (SPC) met in March 2018
- The next CSCT Board meeting will be held in Saskatoon in June 2018
- CSCT will be celebrating 50 years in 2020, they are requesting photos for the history presentation planned at the 2020 AGM. Let me know if you have any pictures you want to share.

In closing, I am looking forward to learning and participating with the CSCT BOD as well as the MACT BOD and representing our province and its interests.

Respectfully submitted,

Colleen Bemister, RCT

MB Provincial Director
