Annual General Meeting  
Provincial Education Coordinator's Report  
May 5, 2018**

Active Members 106  
Inactive Members 3  
Associate Members 7

Thank you everyone for coming to our AGM this morning to support our association. This was my first year as the Provincial Education Coordinator, and while there has been a lot to learn, it has also been a great experience. I would like to thank the entire Board Of Directors, especially Trina Toro and Pam Singh for helping me out.

Last year our Annual General Meeting was held on April 22<sup>nd</sup> 2017 at the St Boniface Hospital-Asper building. We had two excellent guest speakers and a wonderful turnout from our Association.

The 2017 CSCT exams were held by the Yardstick company for the second consecutive year. Hand scoring is no longer available as the new format of the exam should eliminate any marking conflicts.

In April 2017, five candidates from the Stenberg Hybrid Program attempted the exam. Four candidates were successful, while one was unsuccessful. On behalf of The MACT Board of Directors I would like to congratulate Amarjot Grewal, Trypheana Geddes, Chelsea Neilson, and Donna Sutherland.

In September 2017, one candidate from the Stenberg Hybrid Program attempted the exam and was successful. On behalf of The MACT Board of Directors, I would like to congratulate Jazlyn Wark for successfully completing the exam.

In closing, the current triennium for CEU's will be ending at the end of the 2019 calendar year. At that time all members must submit their 30 CEU's.

Have a great day and enjoy the rest of the AGM.

Respectfully submitted,

Darlene Keith RCT
